

NOTE: In an effort to ensure that all enforcement efforts are exhausted prior to spending Superfund Trust Fund money, please provide as much information as possible to present a clear picture of the enforcement history at the Site. The responses to the requests below will likely be enforcement-sensitive. Therefore, please provide this information on separate sheets of paper. This will make it easier to redact this information if, e.g., EPA later provides these forms to FOIA requestors, etc.

Date Form Completed:**General Site Information**

Region:VII	City: Iola	State: Kansas
CERCLIS EPA ID: KSN000705026	CERCLIS Site Name: Former United Zinc and Associated Smelters	
Site Charge SSID: A78Q		

Enforcement Considerations
